TOUR NAME

Ostuni & Wine

On this tour, you'll discover Ostuni, one of the most beautiful towns in Italy's Puglia region. It's draped over three hills, and it looks more Greek than Italian, thanks to its bright whitewashed houses. Things start with a photo stop outside the old city walls, where you'll stop to soak up the vistas of the olive groves that stretch all the way down to the Adriatic coast. You'll then walk to Piazza della Libertà, Ostuni's main square, to admire its ornate town hall and the Sant'Oronzo monument, before delving into the narrow lanes of the Medieval quarter. After a while, you'll come to the impressive 15th-century Cathedral of Assunta. Take a moment to gaze up at its beautiful Romanesque facade before heading off for a spot of souvenir shopping. Rounding your trip off you'll also get the chance to try some locally produced wine.
