TOUR NAME

Florence & Pisa

Enjoy your visit to the famous city of art, Florence that has lots to offer, from grand old Renaissance churches to timeworn Medieval streets. An escort will accompany you to the city, where you'll meet your official guide. The historical centre is now a pedestrian zone and this is where your sightseeing begins. Clap eyes on the orange-roofed Duomo and weave your way through the pretty maze of streets to the Gothic Old Palace with its ornate courtyard. You'll get to see Ponte Vecchio, too, the only bridge in Florence to survive the World War II bombings. After that, you'll have some free time to explore, whether you want to visit the galleries or just enjoy a bowl of linguine in the sunshine. Afterwards, you'll head for your second city of the day – Pisa. This place is home to the famous Leaning Tower
