LA SPEZIA

TOUR NAME

Portofino & Santa Margherita

Enjoy a relaxing boat ride to Portofino. This place started life as a small fishing village, shaded by eucalyptus and olive trees. Today, it's a popular party playground to the jet-set. But though it's changed a lot over the years, this prettily-painted town still maintains an air of tranquillity that makes it an irresistible holiday spot. On this tour, you'll have plenty of free time to discover tucked-away alleys and hidden corners, or to part with some serious cash in the elegant boutiques. Leaving Portofino behind, you'll head for Santa Margherita. To enjoy the external visit to wonderfully old-fashioned Riviera resorts where palm fronds wave along the esplanade. Santa Margherita and nearby Rapallo are small towns and you will have some time in both of them .
