## LA SPEZIA

PORT

LA SPEZIA

TOUR NAME

*Porto Venere*

Set sail on a water bus to one of the most beautiful fishing villages on the Italian Riviera - Porto Venere. It's so beautiful in fact, it was declared a UNESCO World Heritage Site in 1997. The views you'll be treated to en route are spectacular, with rugged cliffs and lush green hills jostling for your camera lens. Once you get there, your guide will start the walking tour of the Caruggio. It's the inner bottom road that leads to a great view of St. Peter's Square where you'll find the black and white-striped church of the same name. Your tour continues along Calata Doria, which is overlooked by tall houses originally built as defence towers above the sea. Afterwards you'll get some free time to stroll through the topsy turvy streets or take a dip at the tiny beach.
