Puccini Lake & Pisa

Enjoy a wonderful drive towards the village of Torre del Lago overlooking the beautiful Lake of Massaciuccoli, where your magical boat trip begins. The lake itself forms part of a WWF protected area and it's surrounded by eucalyptus trees, wild poplars, alders and tamaricks. Sit back and enjoy the boat trip as you sip a glass of wine and listen to the sounds of famous Puccini operas. Later on, visit the villa of composer Giacomo Puccini and then carry on to Pisa to see one of the most recognisable sights in the world - the Leaning Tower, where Galileo conducted his gravity experiments. Here you'll have some free time .
