TOUR NAME

*Easy Pisa*

After your scenic drive to Pisa, you can sit back, relax and enjoy the sights by trolley train. It's a great way to see the city, from the typically Tuscan houses lining the River Arno, to the lovely little Piazza dei Cavalieri. It's home to the university and used to be the political heart of the city. It's named after the Knights of St Stephen, who once had their headquarters here. This is all preparation for Campo dei Miracoli – Field of Miracles. Here you'll find the famous Leaning Tower, plus the cathedral and baptistry. There's plenty of time for photos, souvenir shopping and ice-cream and time at your leisure .
