A Taste of Tuscany: Lucca, Villa Lucchese & Farmhouse

Enjoy your drive through the Tuscany countryside to the walled city of Lucca for a walking tour to the beautiful Cathedral of San Martino, the Piazza Anfiteatro, the Church of San Frediano, Guinigi's Tower and the outside of the Church of San Michele. Browse on your own during some free time, then meet back up in the Piazzale Verdi to leave Lucca by coach. Stopping at a typical farmhouse, where estate-grown olive oil is produced, enjoy a Tuscan lunch. Afterwards, location permitting, visit the wine cellars or the olive grove under the guidance of the owner. From there, it's just 15 minutes by coach to Villa Torrigiani—one of the most important and beautiful houses in the Lucchese territory, with beautiful fountains and trees. Enjoy some free time .
