TOUR NAME

### *Tuscany Wine Cellar & Carriage Ride*

Enjoy a relaxing scenic ride through the lush Tuscan countryside. In fact, the green rolling hills, wide fields of vineyards and olive groves, small stone villages, characteristic parishes and countryside homes in stone are so beautiful, you'll find pictures of them on postcards and calendars all over the world. You'll arrive at the estate of one of the area's renowned wine cellars. Once there, you'll tour the winery and learn how these delicious wines are produced. You'll view the cellars where the wines are aged to perfection. You'll also board a horse-drawn carriage for a romantic journey through the Estate's vineyards, where the Sangiovese grapes are grown. These are the principal grapes used in the production of Chianti. You'll get to see the vineyard cultivation of the red and white wines along with the olive trees that produce some of the area's finest oils in the world. It's then time to sample the wares! You'll get to taste a variety of the house wines accompanied by bread, olive oil, cheese and salami. You will also have the opportunity to try vin santo - a sweet dessert wine, all made at this estate. You'll be able to purchase your favorites to take back with you. Your tour concludes with another picturesque ride back to Livorno and your ship.
