TOUR NAME

Splendido Italian Cuisine

Unique experience of Italian cuisine . Start your day with a fantastical drive to the Splendido Hotel. Experience the cuisine of this world-famous hotel—a magnificent landmark that overlooks the picturesque harbor of this tiny resort enclave. Favored by the rich and famous, the hotel is known for its superb Italian food. The maître d'hôtel will meet with you privately and explain the many uses and varieties of olive oil. You will have a chance to try the different kinds of olive oil (two or three types) presented during the explanation, and learn how each is used in the preparation of delicious Italian dishes. Bruschetta will be served at the table, followed by a lunch of traditional trenette with pesto sauce, grilled sea bass with pine nuts and black olives, olive oil sherbet and coffee. White wine and mineral water will be offered, and coffee is served. Enjoy some free time at the end of the day .
