TOUR NAME

***Hike to Portofino***

Start your tour in Santa Margherita and drive up to Nozarego, where you will set out on a hike to beautiful Portofino. The path leads through the Mediterranean flora, vineyards and olive groves. Vegetation hugs the medieval dwellings and cliffs drop off to the crystal clear sea making this one of the most fascinating locations of the Riviera. At Molini, stop at a restored olive oil mill which now houses a small museum in one room and a café. Enjoy a sample of local white wine with a slice of focaccia bread before continuing your hike past elegant villas nestled among luxuriant vegetation of tropical plants and olive trees. Upon reaching Portofino, you'll have some free time before boarding the minivan for the ride back to Santa Margherita.
