TOUR NAME

City Tour & Miramare Castle

This tour includes a city drive with a trip to the fairytale Miramare Castle. First off, you'll explore the palace-peppered streets and canals of Trieste from the comfort of the coach. At Trieste Cathedral, you'll get the chance to hop out and have a peek inside. Byzantine mosaics glitter on its domes and iron chandeliers dangle from the cavernous ceiling. After a half-hour or so, we'll drive on to Miramare Castle. Overlooking the sea, it was once the 19th-century home of Archduke Maximilian of Hasburg, who later became Emperor of Mexico. Highlights include Maximilian's chambers, the throne room and the music room, plus the surrounding flower-filled gardens.
